Literature Discussion

Title and Author: "The Country of the Blind" by H.G. Wells and "Thank You M'am"
by Langston Hughes
Question: What types of power best achieved the characters' goals?
What evidence from the text supports your argument?
XX7 *4 . 1
Write down at least one question that you asked a classmate in the discussion:
In discussions, it helps to listen carefully to others and really understand what they're trying to say. Often other people's ideas will change your perspective or spark a new thought. Whose comment did you refer to in the discussion or whose comment sparked a new idea for you? What was their idea?

^{*}Please note: this worksheet has been inspired by Great Books discussion approach. See their website for more information on their discussion techniques.
